

STATEMENT WILDROSE CLASSIC/MASTERS PROVINCIALS AND RECREATION EVENT

MARCH 16, 2020

Alberta Artistic Swimming (AAS) has continued to monitor the COVID-19 situation from both a medical and business perspective. Consistent with the health and safety guidelines being implemented in Alberta and across Canada the decision has been taken to cancel the 2020 Wildrose Classic/Masters Provincials in Lethbridge, AB, April 17-19 and our Recreation Event in Red Deer, AB, April 25.

These were incredibly difficult decisions for the organization as we recognize that this announcement will be extremely disappointing to our athletes and coaches that have been working hard to prepare and looking forward to these events. We are supportive of the government's decision to aggressively adopt new public health measures to limit the spread of the COVID-19 and so are putting the safety of all participants for these respective events as our utmost priority.

Event registration fees will be fully refunded within two weeks for those clubs that have already submitted payment. We will continue to monitor and work with the health authorities over the coming weeks and continue to update our membership as information becomes available.

The latest information from Alberta's Chief Medical Officer can be found [here](#).

We wish all of our members and participants continued good health and safety through this difficult and challenging period.
